

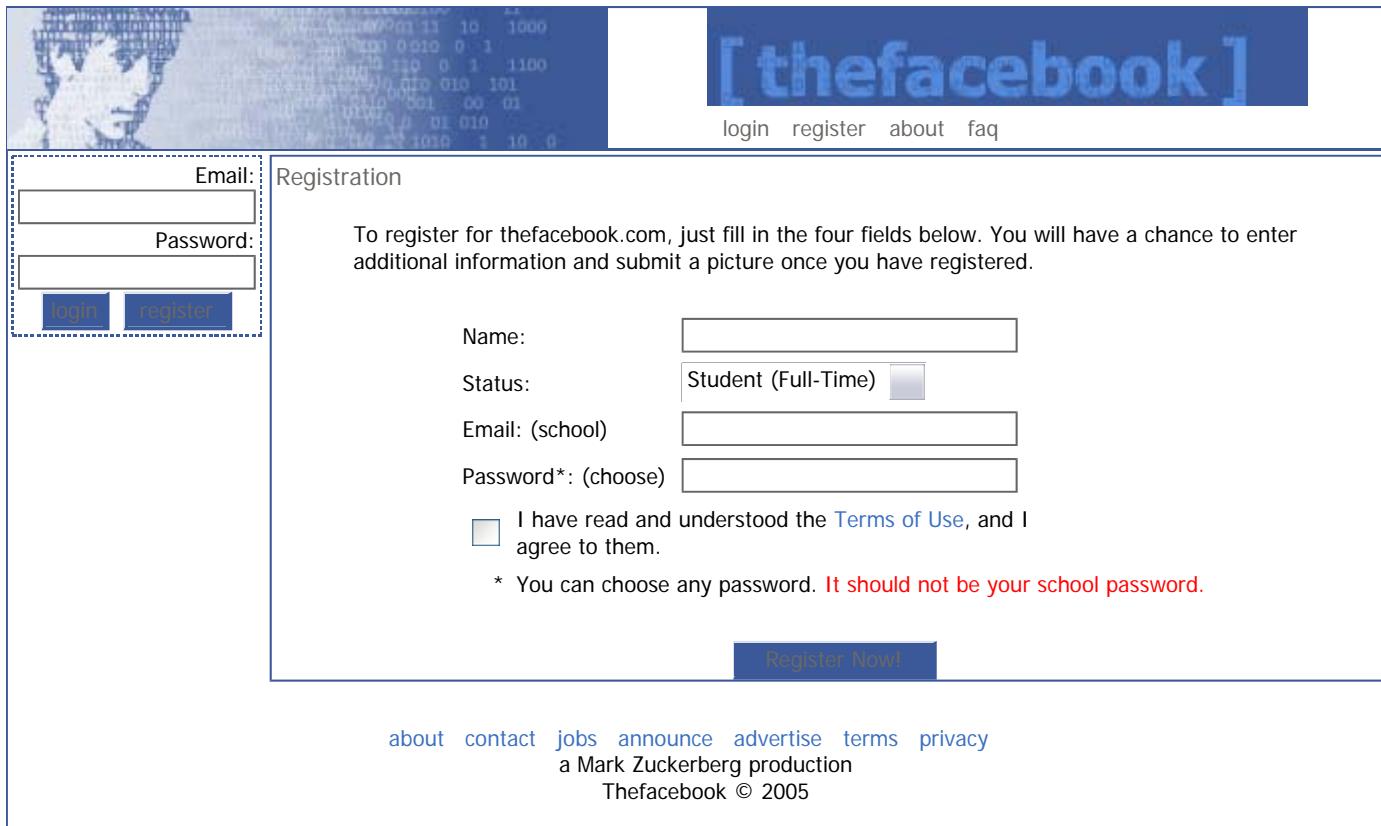

EXHIBIT 1

The screenshot shows the registration page for thefacebook.com. The header features a blue and white pixelated logo on the left, and the text "[thefacebook]" in a large, blue, sans-serif font on the right. Below the logo are links for "login", "register", "about", and "faq".

The main content area is titled "Registration". It contains instructions: "To register for thefacebook.com, just fill in the four fields below. You will have a chance to enter additional information and submit a picture once you have registered." Below these instructions are four input fields: "Name" (text box), "Status" (dropdown menu with "Student (Full-Time)" selected), "Email: (school)" (text box), and "Password*: (choose)" (text box). There is also a checkbox labeled "I have read and understood the [Terms of Use](#), and I agree to them." A note below it states: "* You can choose any password. **It should not be your school password.**".

At the bottom of the registration form is a blue "Register Now!" button. Below the registration form, the footer contains links: "about", "contact", "jobs", "announce", "advertise", "terms", and "privacy". It also includes the text "a Mark Zuckerberg production" and "Thefacebook © 2005".
